

How does Ray's Wine & Spirits Rewards work?

The more you use the card, the greater your rewards! Your card earns you points each and every time you shop, and it's FREE! You have a choice of where to shop for wine, spirits, and craft beer, so why not choose to shop where you'll be rewarded for every dollar* that you spend?

How do I earn points?

You'll earn 4 points for every \$1* spent on qualifying purchases. Spend \$25 and earn 100 points. Points add up automatically after each shopping trip. Check the bottom of your receipt for your current rewards balance.

How do I get my Rewards?

Every time you reach 1000 points, you'll get \$5 to spend on your next visit. There are no crazy hoops to jump through. Just shop as you always do and watch the rewards pile up!

Ray's Wine & Spirits Rewards does not affect prices!

You'll find the same great low prices every day, with or without the card.

*Qualifying purchases may not include some items such as gift cards, deposits and lottery.
